On our Lake scenic flight you can experience the fascination of the Lake Constance region. You can see on a clear day, the Alps and the Lake Constance with its sights - the old town of Constance, the Radolfzeller lake, the Höri, the island of Reichenau (Unesco World Heritage Site) and the shipyard, with its fascinating play of colors. The colors of the Caribbean Seerhein can be admired only from the air. You will be amazed! On the way we make a detour to the great castle ruins Hohentwiel singing, the applicable truly is about the area!

We follow the Rhein until we finally reach the Rhein Falls at Schaffhausen, which marks the turning point on this flight. Every second overthrow 600,000 liters of water in summer the Rhine Falls down! From the air, a natural spectacle!
After the peak, we follow the romantic region back to Constance along the Rhine Continue east back to our starting point.

Duration of the experience:
The flight time is 60 minutes.

Helicopter type:
Robinson R44, Jet Ranger depends on the starting point.
